

Summer Term 2025 - June 27th

Message from Mrs Norman

Once again I find myself wondering where the time has gone. Not only the term but the year! The Summer term is usually a busy one with trips, sporting events and other fun things. We have some great events still to come and I particularly am looking forward to the art and music day. Thank you for the support you have shown in our fundraising efforts.

Thankfully the sun stayed hidden for a while on sports day allowing us to get through the majority of activities. It was a lovely morning, and it was wonderful to see so many families attending. We are very fortunate to have our resident photographer, Mrs Gourley. She has really captured the spirit of the day along with some very determined parent faces in the mums and dads race. I will add more photos to the website in due course.

Transition days are coming soon and are an opportunity to see what life is like in the next year group. Some might not be changing physical classrooms, but there may be a new teacher, support staff or a new year group joining. Please ensure your child attends these days as it really does help them feel less anxious when they return in September.

Mrs Norman

Reminders

- Please ensure children do not wear hooped earrings, bracelets or necklaces to school.
- ALL earrings should be removed at home on P.E & swimming days if your child can not remove them themselves. P.E kits should be black shorts or tracksuit and a white t shirt please.
- Useful information - The school office is open from 8:30 to 3:30 Monday to Friday for anyone wishing to speak to a member of the office team. At busy times it may not be possible to respond to calls immediately, so please leave a brief message and a member of staff will get back to you as soon as possible.
- **If your child arrives late in the morning please state the reason for lateness on the signing in register.**
- Please do not park in the layby outside school. This is for taxis, buses and coaches. Thankyou.

P.E & swimming days -

P.E Tuesdays - Oak Class

P.E Wednesdays - Acorn Class

P.E Thursdays - Rowan Class

Wednesdays - Swimming - Maple Class - **Last swimming session is Wednesday 9th July.**

Last day of the Summer Term

Acorn Class

We have been investigating Under the sea. We have been reading books about different animals under the sea and their adventures.

Acorns have also been carefully looking after the sunflowers we planted. We have replanted them into the school garden. We will continue to water them and watch them grow.

Reception class have been working on learning their number bonds and their subtraction facts. It has really made our brains work but we are trying really hard.

Reception have continued to work hard with their writing and maths. We have enjoyed the shapes topic and rotating shapes and creating patterns.

Pre-schoolers have been learning initial phonic sounds and developing their fine motor skills and name writing.

During lunch time we have really enjoyed practising running on the track and racing each other.

Maple Class

Maple have been working so hard in maths using money.

Delicious D.T! We have been learning about healthy eating and trying lots of new foods. Some we liked and some we were not so keen on.

Year 1 children had a lovely time at the Wisbech Literacy Festival. The children were very impressed with how many books there were in the library!

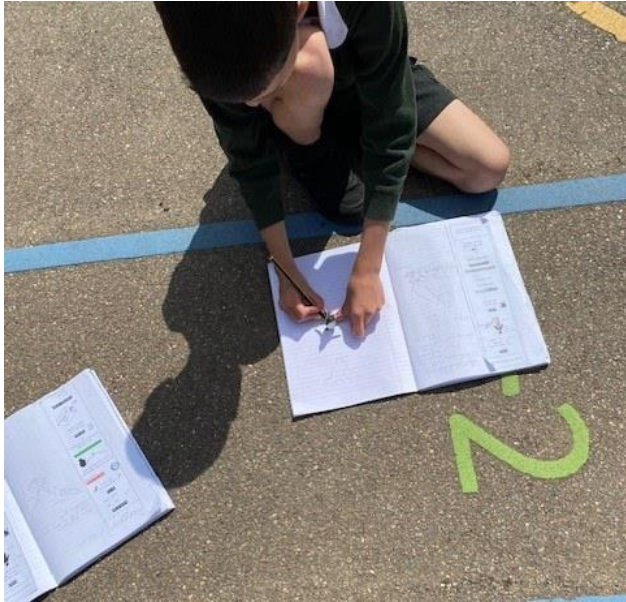

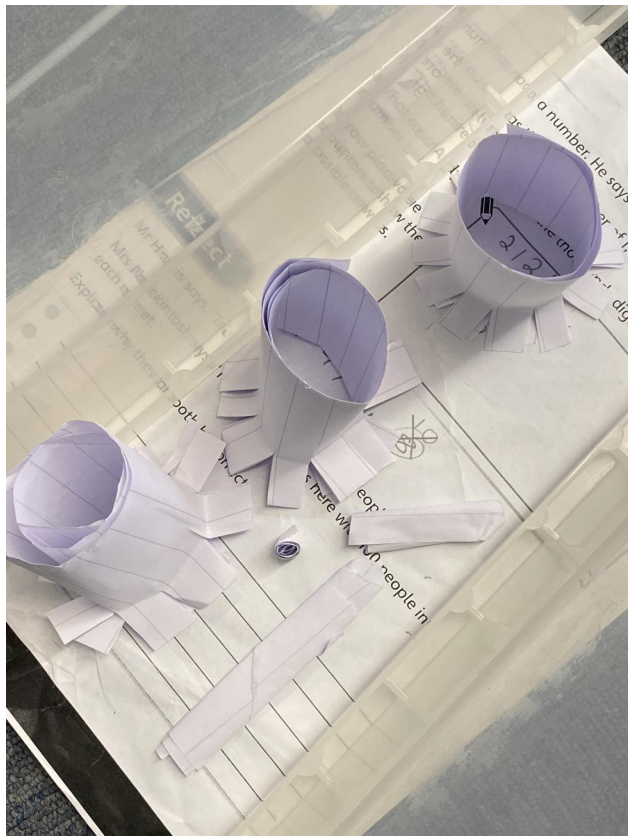

Rowan Class

In Rowan class we have been working very hard with our Maths and English, including doing some assessments and Year 4 completed their multiplication check. We have been learning about how shadows are formed in Science. We went outside and drew the shadows of toy animals. This was quite hard because we had to draw the shadow we saw, not what we thought it should look like. We loved making jam for English so we could write instructions. It was meant to be strawberry jam but there were none left so we used raspberries instead. In Design and Technology we have been making bridges stronger. We had to make a piece of A4 paper take a 100g weight. It was harder than we thought!

Oak Class

Oak class are taking part in the Science Crest awards. They have to complete 6-8 hours of science investigations and collect stamps. Once these investigations have been completed Mrs Bickerdike will assess the passports and send off for the CREST AWARD for each Oak child who has completed the challenges.
