

Sport at Kinderley

At Kinderley, we strive to develop children who have a love for sport, have a good understanding of health and fitness and are confident in competitive sporting scenarios. Sport, PE and being active is a vital part of our curriculum. We recognise the contribution it can make, not only to the health and wellbeing of individuals, but also to the academic side of their education. As a school, we plan a comprehensive sport curriculum which both allows children to access all necessary skills for their age, as well as preparing them for competitive sports competitions in Key Stage 2 and 3. Additionally, extra-curricular clubs are available, which provide the children with the opportunity to take their desired skills to the next level and work with a sports coach.

What is the Sports Premium?

At Kinderley we have received a budget of £16,630. The PE and Sport Premium is a government initiative that provides additional funding to primary schools in England to improve the quality of their physical education (PE) and sports provision. This funding is designed to help schools enhance their PE and sports programs, increase participation in physical activity, and promote the overall health and wellbeing of pupils. As a very small rural school, this additional grant enables us to offer wider opportunities to children by being able to fund transport, and also being able to run after school clubs such as Boxercise.

What is working well

The children benefit from a structured curriculum where they are able to learn and develop skills, across a range of disciplines. They enjoy participating in the Wisbech Schools Partnership events where they work as part of a bigger team, and try new sports.

There are numerous waterways in the locality and it is essential that children learn to swim and know how to keep safe near and in water. Children have swimming lessons from year 1 to year 6, and benefit from being in a small cohort with swimming coaches.

The association of PE has 5 key indicators school should expect to see improvement after spending PE premium.

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport
2. The engagement of all pupils in regular physical activity
3. The profile of PE and sport is raised across the school as a tool for whole-school improvement
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
